

IOS Lister's Corner 2003

Illinois Life List

(minimum 250 species)

What a year! While we can always expect some good birds to pay a visit, no one could have expected the number of rare species that were found in Illinois last year. Eric Secker's list jumped by 25 species; the top total amongst birders who'd also submitted a total for 2002. Keith McMullen and Craig Taylor joined the '350 Club;' the 325 threshold was reached by Jackie Kumery, Jerry Kumery, Mike Madsen, Robert Montgomery and Doug Stotz; and birders who made it to 300 (along with their benchmark bird) include Maury Brucker, Jeff Chapman (Laughing Gull), Jon Duerr (Hermit Warbler), Dorothy Jackson (Roseate Spoonbill), Tom Lally (Gyr Falcon), Joe Lill (Western Meadowlark), Travis Mahan (Ruddy Turnstone), Eric Secker (Ash-throated Flycatcher), Joe Suchecki (Sharp-tailed Sandpiper) & Paul Sweet (Smith's Longspur).

(updated: 2/24/04)

County Life Lists (150 minimum, or top three totals)

For the first time we have an entry for each of Illinois' 102 counties. We decided to try to list at least three tallies from each county, even if some of the totals are pretty low. With the new Total Ticks list catching on, I expect the county totals to quickly rise. I can't wait to see next year's County Lists!
