

IOS Lister's Corner 2004

Yard Life Lists: Country, Suburban & Urban

Despite so many birders traveling around the state doing Big Years of various sorts, many still found time to add species to their Yard Life List. Data are listed by total species, observer name, yard location and years at site. Species are countable if they are identifiable from your yard. -EW

Key: @ = final tally at site * = last updated pre-2004
