County Lists: Life Lists & Big Years

County Life Lists (150 minimum, or top three totals)

There are many counties away from the major IL population centers that could use more birding attention. Consider exploring some of Illinois' lesser known counties. We just might see your name break into the top three for that county at this time next year! -*Eric Walters*

County Big Years

We would like to get three representative tallies from each county. Surely every county has had someone do a Spring Bird Count that would approach or exceed 100 species. We'd love to hear from you if you still have those tallies as your one day of birding would exceed many currently listed annual tallies -EW (225 minimum in Cook; 200 minimum in DuPage & Lake; 150 minimum or top three totals)
