

# IOS Lister's Corner 2006

## Illinois Life Lists

(minimum 250 species)

For the first year in memory there were no additions to the state list, and so almost every birder above 350 ended the year without any additions. That may change if the Barnacle Goose is accepted, but the decision on that bird has not yet been reached. Birders who hit 300 include Thad Edmonds (Saw-whet Owl), Anthony Friend (Red-necked Grebe), Leo Miller (Glossy Ibis), Roger Reason (Western Grebe) and David Thomas (his 2005 Purple Gallinule). John McKee reached #350 with Trumpeter Swan. -JL (updated 4/10/07; compiled by Eric Walters & Joe Lill)

Italics represent an inactive Illinois birder (i.e. deceased or lives out-of-state).
