Big Days: State, Regional, Seasonal, Green & County

Illinois Team Big Days (by month)

There was not a large number of Big Day submissions this year, but a couple of monthly records for the state were set, nonetheless. Colin Dobson and Tony Ward had the best ever August Big Day with 145 species, and they were joined by Corey Lange in setting a November record with 112 species. Although run in 2014, the record Northern Region May Big Day (Amar Ayyash, Greg Neise and Jeff Skrentny) is included for the first time.

Key: # = all-time IL Big Day record **Team Big Day rules:** 95% of all species must be ID'd by all observers.

Top Five per Month by Region – Team Big Days (top ten in May)

Without the 'Neise/Skrentny' team pursuing new records, it seemed a quieter year for team Big Days, but there were still some impressive submissions. Along with the state-record August result from Dobson and Ward (cited above), Nathan Goldberg and Andy Sigler had the number-two March Big Day for Central Illinois, and Beau Schaefer and teammates had third-place results in the Northern region for both July and December. The May version of the team (Eric Lundquist, Beau Schaefer and Andy Stewart) also posted the fourth-best May result for the Northern region; that was the biggest Illinois Big Day of 2015 (164 species).

Green Big Days (80 minimum)

Geoff Williamson supplies a couple of new Green Big Days from the relatively limited confines of Montrose, and two bicycle entries from the Birding Blitz were submitted by Rhonda Rothrock.

Four categories have been added this year, based on Jim Royer's Green Birding page:

G = no gas used; started from permanent or long-term residence

* = minimal driving; no participant drove over 100 miles to the start, or from the finish, from their residence

** = at least one participant drove over 100 miles to the start, or from the finish, from their residence

P = local public transportation (within ten miles of their residence) was used

(These Big Days were done via bicycle unless otherwise noted.)

County Big Days – Team Big Days

'Beau Schaefer and friends' contributed a half dozen new tallies in 2015, but the most remarkable of these was the 164 species Big Day accomplished by Lundquist, Schaefer & Stewart in Lake County in May. It came within one species of tying the all-time County Big Day record! Fraker & McGhee had the second highest Big Day for Woodford, while Taylor and Kuessel set a few new records for underbirded counties (of which there are still many waiting for new high counts to be submitted).

(Top three totals (top five in April and May); all 135+ County Big Days will be listed.)
