

IOS Listers Corner 2024

Total Counties per Species List - Northern Region (Top eight totals per species - 24 possible counties)

We have many birders who have submitted new totals that have bumped them up a notch or two in the rankings, but also a number of people appearing for the first time for a particular species. Nathan Goldberg led that group with 43 new entries. New high totals were basically restricted to a few rarities, such as four Cinnamon Teal counties (Eric Walters), seven Rufous Hummingbird counties (Craig Taylor), and four Mississippi Kite counties (Eric Secker), or a locally rare species (19 Eurasian Tree Sparrow counties - Jim Mountjoy). The tally of 'closed out' species in this region ticked up to 161 species.

The Illinois Regional Map can be accessed from the Listers Corner home page.

"Multiple observers" means that 5+ birders have reported the same total.
